HELMET CARE

CLEANING AND POLISHING HELMETS
Use only Riddell helmet cleaner and/or wax. Commercial cleaners and polishers may damage the shell or liner system.
  • Helmet Care Kit (Riddell catalog #R27503)
  • Available for regular maintenance.
  • Read instructions carefully.
  • Keep away from children.

PAINTING RIDDELL HELMETS
Use only Riddell paint systems. Commercial paints may damage varsity helmet’s polycarbonate alloyed polymer material or youth helmet’s ABS plastic material. Failure to comply may compromise the shell’s integrity and void shell warranty.

HELMET WARNINGS

WARNING
NO HELMET CAN PREVENT THE SERIOUS HEAD OR NECK INJURIES A PLAYER MIGHT RECEIVE WHILE PARTICIPATING IN FOOTBALL

Do not use this helmet to butt, ram or spear an opposing player. This is in violation of football rules and such use can result in severe head or neck injuries, paralysis or death to you and possible injury to your opponent.
Contact in football may result in CONCUSSION-BRAIN INJURY which no helmet can prevent. Symptoms include: loss of consciousness or memory, dizziness, headache, nausea or confusion. If you have symptoms, immediately stop playing and report them to your coach, trainer and parents. Do not return to a game or practice until all symptoms are gone and you have received MEDICAL CLEARANCE. Ignoring this warning may lead to another and more serious or fatal brain injury.

1) Helmet must be properly fitted. See instructions.
2) Do not modify, change or alter helmet in any way.
3) Do not remove labels on helmet.
4) Helmet protection could be reduced by common substances without damage being visible to the user. It is recommended that user employ only factory authorized paints, cleaners, waxes, adhesives, guards and attachments as instructed.
HELMET WARRANTIES

The warranty on helmet shells is five (5) years for polycarbonate varsity helmets and three (3) years for ABS youth helmets, provided there has been normal use and proper maintenance. It is recommended that your helmet be reconditioned every year by a Riddell Factory Authorized Reconditioner. Proper maintenance requires reconditioning of your helmet at least every two (2) years by a NOCSAE Licensed Reconditioner using only new factory replacement liners (if required) in the reconditioning process. Evidence of any of the conditions will void this warranty:

1) Failure to have the helmet reconditioned at least every two (2) years by a NOCSAE Licensed Reconditioner.
2) Installation of used parts instead of new parts whenever a liner replacement is necessary.
3) Where shells have been damaged by a chemical reaction from the use of incompatible materials such as:
   a) Attachment of a guard, facemask or component of another manufacturer or mismated material.
   b) Use of cleaners, waxes or paints of another manufacturer or failure to follow recommended cleaning and painting instructions
4) Excessive drilling of holes or drilling any new holes less than 1/2” from each other or the edge of the shell.
5) Abusive treatments for any use other than the playing of American football.
6) Removal of, or obliteration of, the warranty label, date code, or warning labels.

Helmet component parts are warranted to be free of defects in material and workmanship for a period of one (1) year provided there has been normal use and proper maintenance

This warranty in lieu of all other warranties, expressed or implied whether Statuary or otherwise, including any implied warranties of merchantability or fitness for any particular purpose.

Products covered by these warranties should be returned to the manufacturer, along with evidence of the date of purchase.
